- Download or Save file

Fixed Vs Variable Costs:

(Go to page 3.)

What is the difference between a **FIXED COST** and a **VARIABLE COST**?

TOTAL COST TO OPERATE A VEHICLE

Name 6 Fixed Costs/ Ownership Costs:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.

Name 3 Variable Costs/ Operating Costs:

- 1.
- 2.
- 3.

D. Complete the chart for a Civic LX, driven 18000km per year, on page 10.

- Use pages 4-7 to help fill in the table.
- When you have completed the table, print a copy.
 - *You cannot save the information. You may want to copy/paste the table into another file.
