

Probability Mystery Bags

Outcomes: G3, G4, G5

In each of the 6 bags, there is an assortment of candies.

Please refer to the code on candy types:

Instructions:

1) Designate one person in your group to wear the gloves and remove 10 random pieces of candy only.

(DO NOT EAT THEM!!! YOU WILL ALL RECEIVE CANDY AT THE END!!!)

2) Record your findings in the table below:

	Elephant	Koala	Tiger	Swan	Lion	Beaver
Sour Cherry Blasters						
Gummy Bears						
Life Saver Gummies						
Fish						
Hot Lips						
Big Foot						

3) Using your "sample contents" from each bag, decide on the correct bag #.
Place the animal name in the box beside the correct mystery bag number.
